Fun in the Sun

### **Playground Fun!**

June brings warmer weather, bright sun and lots of playground fun! Please remember to apply sunscreen on your child before he/she comes to school in the morning, most products last up to five hours. There will be a lot of running and playing on the playground, remember to help your child choose playground friendly shoes; close toed sneakers are the easiest for the children to run, climb and play in.

The Giving Nest

## Kindergarten Clap Out

We will be celebrating the Kindergartners last day of school at the Giving Nest by clapping them out of school on Tuesday, June 22<sup>nd</sup>. We will social distance and safely line up the children and staff along the front entrance and walk. As the Kindergartners are released at 2:45pm and walk past the students and staff we will clap them out of school for their last day, celebrating their achievement of completing Kindergarten at the Giving Nest. If you are waiting for your child, please join in with us and congratulate the Kindergartners as they walk out of the Giving Nest doors one last time and are picked by their parents.

The Giving Nest staff thanks you for a wonderful school year! We could not have done this without your support. Your children were delightful and always put smiles on our faces. Whether it was during morning circle time, in the classroom doing daily work or simply on the playground. We will miss those of you who are moving on to Kindergarten in September. Best of luck to all of you and please come back and visit. Besides our students, we will miss the Moms and Dads. You are all so friendly, kind, happy and you were always willing to offer a help of any kind. It was a pleasure spending this year with you. Even though we say goodbye know the Giving Nest always has a home for you. Please stop in to say hello to the staff you know so well. Thank you for the opportunity for us to greet you each day, get to know each of your children and to watch them grow and flourish into the children they have become today.
