

AS NEEDED EXTENDED CARE

The Giving Nest offers Early and After Care on an *as needed* basis beginning on the first day of school. If you should get tied up at work, have a Dr's appointment or a napping baby, just give us a call and we are here for you!

EARLY CARE:

If you would like to bring your child in for *as needed* Early Care as early as 8:00am, simply call the office and speak to a staff member or leave a voicemail. However, if you need an 8:00am drop off please notify us within 48 hours prior to allow for staffing. The door will be locked so ring the bell and you will be greeted by a staff member. **The latest children can be dropped off for early care is 9:00am. Early care students may not be permitted to arrive between 9-9:30am.** *The reason; from 8:00-9:00 the early care children are in a classroom. After 9am the children do activities in the center hall. We do not allow early care students to arrive after 9 because their arrival disrupts the center hall activities and diverts the attention of the staff from the children they are caring for.*

AFTER CARE:

If you would like to sign your child up for *as needed* Extended Care, please notify your child's teacher at drop off or call the office so they can be entered into the Extended Care Log Book. Once your child is in our log book, they will be escorted to After Care. Extended care goes as late as 6:00pm daily.

At the end of the month after your child attends Extended Care, there will be an invoice in his/her backpack. The cost of *as needed* Extended Care is \$10.00/hour (\$5.00/any part of half an hour). Please return the invoice with your payment as soon as possible.

*If your needs become consistent, please inquire about our Permanent Extended Care options.
