month....

Square

New Word of the
month...

Fiddle..

a violin, especially when used to
play folk music.

Letters of the Month...

Ii, Uu, Cc, Oo and Qq

Skills Introduced this Month

Cutting Skills

The children will begin cutting very simple shapes using their helping hand.

Begin Sequencing...

The children will be introduced to sequencing. They will be given 3 pictures and will have to put them order from beginning to end.

THE NEW YEAR!

The teacher and children will talk about a New Year starting. The children will practice saying our new year is 2020. They will discuss the different ways in which people celebrate the coming of the New Year with noisemakers. Then with confetti (that the children cut themselves) in hand the children will count the seconds down with the teacher 10.9.8.7.6.5.4.3.2.1. Everyone will yell Happy New Year, throw up the confetti and shake their noisemakers.
