

The Giving Nest Preschool in Pluckemin

Director: Barbara Maxwell

Welcome to the Giving Nest

September is the time for children to buy new shoes, get haircuts and look for that perfect first day of school outfit. At the Giving Nest, it's a time to decorate classrooms, fill up lesson plan books and make name tags. We have been blessed to occupy this new, beautiful space in Pluckemin and are so eager to share it with you. As we know, this will be a different school year from the past. We have new policies put into place for everyone safety. Our goal is to provide your children with opportunities to create, explore and learn. The Giving Nest staff is looking forward to getting to know their new students. We are brimming with new ideas and anxious to fill our classrooms with smiling faces. So many beautiful faces!

Our school theme this year at the Giving Nest is "The Community Helper!" In September we will introduce the children to our favorite songs, "The More We Get Together", "Rise and Shine" and "Skinnamarink"

"We will talk about making new friend and learn about school safety rules. During the months of October through June we will be introduced to the People in our Neighborhood that we depend on especially those who keep us healthy and safe.

Lines of Communication

At the Giving Nest, we believe that communication between the school and the parent is vital. Any paperwork we send home will be sent in your child's "Take Home Folder." Please empty the folder when you get home and put the folder back in your child's backpack. In order, to keep you informed about what is happening in your child's class and the whole school, at the end of each month you will receive...

From your teacher through our website or Constant Contact: A monthly calendar which highlights the specific activities the children will do on that day. We suggest you refer to the calendar before you leave for school-this may help an apprehensive child. Also, a Monthly Age Group Highlight for the upcoming month which explains the small group activities planned for each month for each age group.

From the office-Barbara Maxwell (Mrs. Max), or Sherry Paterson (Miss Sherry): You will receive a tuition envelope that will have your child's name, class letter & payment due. Please review the information and if anything is incorrect, contact the office. You will receive the monthly newsletter highlighting the school wide and age group events that will be taking place that month. This will be available on our **website or will be emailed to you through our Constant Contact application**. If you prefer a hard copy, please contact the office.
