- Introduce the difference between facts and opinions
- Opinion writing

Math

- Measurement-length, height, weight and capacity
- Subtraction
- Coins- identifying the penny, nickel, dime, and quarter
- Counting money

Science

- Ladybugs and Butterflies and their life cycle
- Insects

A Note From Mrs. Ferrara

Wow! How fast this year has gone by!!! The class is also done writing their autobiographies and are now starting their illustrations. I couldn't be prouder of their accomplishments. They are really excited to read it to the class and then bring it home to read to you.

Letters:

W, Y, V, Z
