

The Giving Nest Preschool & Kindergarten in Martinsville

April 2021 Newsletter

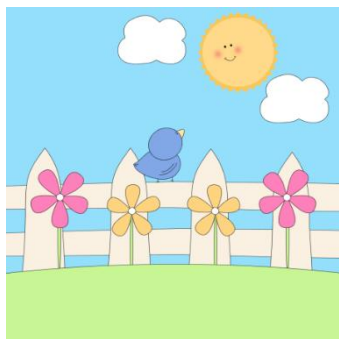

Important Dates:

April 12th & 13th : Virtual Pottery Exhibit

April 22nd & 23rd: Celebrate Earth Day-Wear blue jeans for planting today!

April 26th & 27th: Virtual Spring Show videotaping

Welcome Spring - Spring has sprung, and sunny days have begun...

We always welcome spring and are excited to look for all the signs of new buds, flowering trees, and fresh green grass. We get to go outside and run in the sun; please remember to have your child wear "safe" rubber soled shoes or sneakers for the playground. The

mulch on the playground can become irritable and get caught in sandals or open shoes. During classroom Circle Time the children will be learning our Spring songs about seeds, the sun, flowers and butterflies! And we will celebrate Earth Day by planting fresh new flowers in our flowerpots!

April brings Spring weather and the Giving Nest Spring Show Just a little different this year...

In March and April, the children have been practicing for the Spring Show! The children have chosen their favorite songs and dances and they will put on a little show just for you! During the days of April 26th and 27th each class will be performing their show. We will videotape each class performing their show and we will send you your child's class show via Constant Contact. Be sure to keep an eye on your emails to see the performances!

We Are So Excited! 10 of the 14 staff here at the Giving Nest in Martinsville have had at least one COVID-19 vaccination shot! We continue to schedule for appointments when able.

Virtual Pottery Display

The children have been working on their very own clay creations. While creating their own pottery sculpture the children use their fine and gross motor skills to sculpt their masterpieces. Each age group sculpts a different creation: Ducklings choose an animal, Bluebirds create a pinch pot, Cardinals create a coil pot, and the Kindergarteners sculpt Owls. The creativity is wonderful! Look for the email with your child's clay display the week of April 12th.

Earth Day

We will celebrate Earth Day on Thursday, April 22nd and Friday, April 23rd. Check your child's class calendar for the specific date. Remember to wear jeans!

Welcome Spring
