## Fall Crafting

Ndiw

## miss Heather!

Fall~ Time for cooler weather, changing leaves, cozy sweaters, pumpkin spice and CRAFTING! Fall is full of wonderful ideas for creative fun projects for little hands to make! During each session, your child will work on a Fall inspired craft to bring home. The adorable creations could be used to decorate a special place inside your home or be given as a gift to a special someone. Miss Heather is the half-day Chickadee assistan. She also teaches the Fine Art Enrichment class.
