a	and
I	like
love	to
the	can

Letters of the Month:

F and B

Birthdays:

Mason 9/12

A Note from Mrs. Dobossy
In September, the main focus of Kindergarten is to establish the classroom procedures and routines that will be in place all year long. With lots of practice the children acclimate quickly and they develop good learning habits. I look forward to working with you and your child during this exciting school year.
