

# WHAT'S "TWEETING" IN THE BLUEBIRD CLASS FOR

MAY 2021

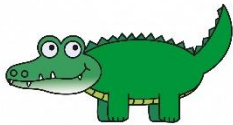

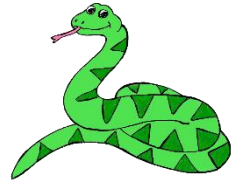

## Letters of the Month

Ss, Aa, Ii

S is for Snake ... s is for spider

A is for Alligator ... a is for apple

I is for Insect ... i is for iguana

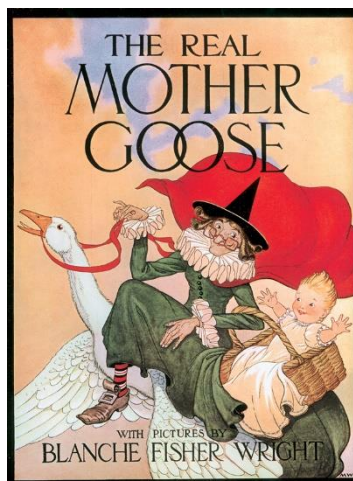

## Books We Will Explore

Various Nursery Rhymes

The children will be learning well known and well loved classic Nursery Rhymes this month. Studies have shown that a child's rhyme awareness is predictive of the ease with which they will learn to read. We love to combine the enjoyment and educational benefits of learning and reciting these rhymes through lots of fun activities!!

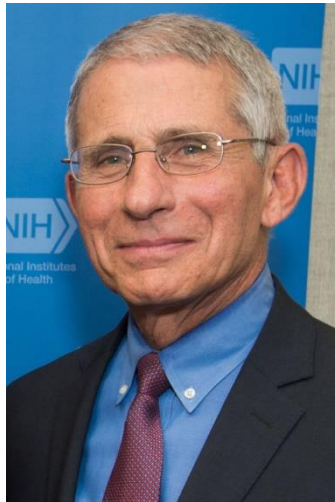

## Number of the Month:

20

## Scientist of the Month

Dr. Anthony Fauci

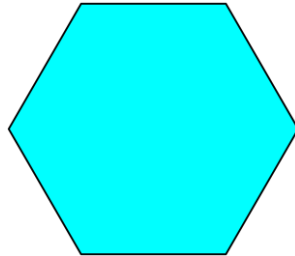

This month we will be talking about Dr. Anthony Fauci who is a VIRULOGIST who has been working very hard, especially over this past year, to understand viruses, germs, and how to keep them from spreading.

The children will learn all about germs: what they are, how they spread, and how we can keep them from spreading.

## Shape of the Month: Hexagon

The children will learn about the 6-sided shape, and how beehives are all made of the hexagon shape!

## Mother's Day

The children will be working on special gifts for special people!
