

Early Birds

7:45 am. start to 8:45 - 9:00 or 9:15am.

*The Early Birds will be available each and every morning at 7:45 am. The children will be brought to a designated classroom, by their parent. Here they will watch a children's tape such as *Sesame Street* or *Blue's Clues*, listen to stories, play group games or participate in arts & crafts. A snack is not usually provided before the regular class time begins. The children will be brought to their classroom by the office staff or by the Early Bird teacher at the appropriate time. The children may also play outdoors on the playground if the weather permits. This is available to parents who need the services of child care before school or for a parent who has an emergency and will need the extra time.

There are two methods of payment and registering for this program.

___ Early Birds **As Needed***- To use this method, please call the school or fill out the pink forms, which can be found in front of the school or in the office. The cost of this will be \$5.00 for any part of the half hour or \$10.00 for any part of the full hour. You will receive a bill at the end of each month.

___ Early Birds **Permanent***- To use this method, please fill out the bottom portion of this form and return it to the school in Sept. The cost of this will be \$4.00 for any part of the first half hour and a total of \$6.00 for any part of the second half hour. This fee will be added to your monthly tuition payment and will be found on your tuition envelope at the beginning of each month. June is free for students using permanent care. This compensates you for having paid ahead for winter and spring breaks.

*All information and costs regarding the Early Birds and Bus Stop Stay and Play are subject to change based on the numbers of children attending, or lack of, the availability of space and the availability of the staff required by the state.
