

WHAT'S "WHISTLING" IN THE CARDINAL CLASS FOR FEBRUARY 2020

FEBRUARY MONTHLY ACTIVITIES

February Science Experiment...

1.Experiment: "Card Shark" –

Hypothesis: What will happen to a penny when the card is snapped off the glass cup?

- Answer : The penny on top of the card will fall into the glass cup when the card is quickly pulled from the cup.

Meet Letters Ll, Vv and Uu

The children will:

- meet the letters Ll, Vv & Uu and as always review all the letters we have learned to date.
- meet Looney Lion.
- write and draw in their journals: A Valentine for a friend...
- meet Vam Vampire.
- make Valentine Bag holders.
- play "The Valentine Game!" To play the game there will be a giant Valentine mailbox, envelopes and index cards that will be inside the envelopes. The index card will either have letters on them or pictures. Each child will be given five envelopes. Before they can mail their envelope they have to identify the letter or say what letter their picture starts with.
- meet Ugboo.

DANCE OF THE WEEK

The children will be learning the basics of these fun dances, helping to reinforce the "letter" of the week. **"Limbo, Valentine Hop, Under water swim."**

"BIG" Word of the Week...

Lethargic- slow & dull

Vivacious- lively & high-spirited

Unanimous- agreed on by everyone

ARTIST OF THE MONTH Tom Feelings

VALENTINES DAY

Valentine's Day is the perfect opportunity for you to explain to your child how our mail service works. An envelope will be sent home with your child. **Together, with your child, affix a stamp to the envelope and write your family address on it (while your child is watching)** (*The Smith Family, 18 Park Rd, Watchung, NJ 07069*). Send this to school the first week of February. Your child will make a delightful Valentine Card in class, put it in the envelope and then walk to the mailbox with his/her class and mail it. What fun when the mailman delivers it to your house!
