

# WHAT'S "WHISTLING" IN THE CARDINAL CLASS FOR JANUARY 2020

## JANUARY MONTHLY ACTIVITIES

### January Science Experiments...

#### 1. Experiment: "Water Wonder" –

- Hypothesis: What will happen to the colored water in a warm bottle when it is placed on top of a bottle of cold water?

Answer : The colors will separate.

#### 2. Experiment: "Good Clean Fun"

- Hypothesis: What will happen to a paper boat floating on a plate of water when liquid detergent is dropped into its stern?

Answer: The boat will sail very fast across the water because the detergent breaks the surface tension of the water.

## Numbers 11, 12 & 13

## Meet Letters Oo, Mm and Aa

### The children will:

- Meet the letters: Oo, Mm, Aa and review all the letters we have learned to date & practice writing these letters in the letter books.
- Meet Oh-Oh Octopus, hear his story, make an ocean mural and learn interesting facts about the ocean.
- Meet Merry Mouse and hear her story.
- Read and act out the story: If You Give a Mouse a Cookie.
- Meet Apple Auntie and hear her story.
- Work on knowing our addresses.

## DANCE OF THE WEEK

The children will be learning the basics of these fun dances, helping to reinforce the "letter" of the week. "Original, Macarena, Ally Cat"

## **"BIG" Word of the Week...**

**Obstacle:** something that blocks or impedes a road, passage, or somebody's way

**Monotone:** A succession of sounds or words uttered in a single tone of voice.

**Anonymous:** whose name is not known or not given

## **ARTIST OF THE MONTH Celia Silva**
