Fun with Bears and Boxes...

Using different sized brown cardboard box with the bottom and top taped the children will spend the day building towers, houses, villages and whatever their imagination can create.

*On Teddy Bear day, (check your child's calendar) the children will put all the teddy bears in a group then place them in size order. Then the teacher will pick a large, medium and small teddy bear to represent Papa Bear, Mama Bear and Baby Bear. The children will be given bowls, cups and spoons in large, medium and small sizes. The children will place the different sized items in front of the appropriate bear.

*(Due to covid19 regulations, we are unable to have Teddy Bear Day this year)

COLOR OF THE MONTH....

BROWN FUN

We will use brown cardboard tubes as rhythm sticks. After distributing a pair to each child, the teacher will call out the names of many colors. Whenever the children hear the color brown, they will tap their brown rhythm sticks together.

We will enjoy the taste of brown cinnamon toast for our snack!

The children will also make brown collages; using brown construction paper, brown fabric shapes, brown buttons, brown sandpaper, brown yarn etc.
