FARM ANIMALS

FOREST ANIMALS

PETS

JUNGLE ANIMALS

# St. Patrick's Day & Fun With That Silly Leprechaun...

On the day your child celebrates St. Patrick's Day at school they should wear green. Sometime during the day that silly Leprechaun sneaks into the classroom while the children are not in the room and does a little "harmless mischief" (puts books upside down, puts the trash can on the table, and takes out some toys). Then the Leprechaun leaves his footprints in the hallway for the class to follow. The footprints will lead the children to a "Pot" filled with a Surprise – I wonder what it is??
